

Department of Gynaecology & Obstetrics

a) Faculty Position

Serial Number	Name of the faculty members	Designation
01.	Prof. Partha Mukhopadhyay	Professor & Head
02.	Prof. Amit Kumar Sil	Professor
03.	Prof. Tarasankar Bag	Professor
04.	Prof. Tapan Kumar Naskar	Professor
05.	Dr. Jhantu Kumar Saha	Associate Professor
06.	Dr. Pallab Kumar Mistri	Associate Professor
07.	Dr. Probodh . S. Soreng	Associate Professor
08.	Dr. Sukumar Mitra	Associate Professor
09.	Dr. Amit Kyal	Associate Professor
10.	Dr. Palash Mazumder	Assistant Professor
11.	Dr. Shyamali Dutta	Assistant Professor
12.	Dr. Parnamita Bhattacharyay	Assistant Professor
13.	Dr. Avishek Bhadra	Assistant Professor
14.	Dr. Indrani Das	Assistant Professor
15.	Dr. Ajanta Samanta	Assistant Professor
16.	Dr. Reena Dey	Assistant Professor
17..	Dr. Manami Roy	Assistant Professor

b) OPD, IPD & Laboratory Investigation information: To be collected from the respective Department.

C) Academic information:

Number of PGTs/PDTs appeared in University examination	Number of PGTs/PDTs passed in University examination	Medal/Award
30	30	

d) Seminar & Guest Lectures :

Serial Number	Title	Speaker
01.	PRETERM LABOUR.	Unit C2
02.	SUTURE MATERIAL.	Unit A1
03.	DISORDER OF SEXUAL DEVELOPMENT.	Unit B1
04.	HYPERGLYCEMIA IN PREGNANCY.	Unit C1
05.	FETUS.	Unit A2
06.	ENDOMETRIOSIS.	Unit B2
07.	NORMAL LABOUR	
08.	CTG: DISCUSSION & INTERPRETATION.	A1
09.	ABNORMAL VAGINAL DISCHARGE	B1

e) Attendance in National and International Conference & Workshop:

Serial No.	Name of the conference /workshop	Faculty Attended
1.	BOGSCON	Prof.(Dr.)Partha Mukhopadhyay
2.	INTERNATIONAL CONFERENCE ON PCOS	
3.	AICOG BHUBANESWAR	
4.	COSMOGYN, KOLKATA	
5.	BOON	Dr.Amit Kyal
6.	IAGE	
7.	COSMOGYN,KOLKATA	

f) Publications of Faculty in National & International Journals :

Serial Number	Title of the article	Journal Name	Authors
1.	Bhattacharya S, Kyal A, Mukhopadhyay P et al. Mental Stress in infertility: a tertiary care hospital-based study: IJRCOG, Oct 2018, Vo7[10]: 4249-4253[International]		
2.	Gupta S, Kyal A, Mukhopadhyay. Visual Inspection. Methods on screening test for Cervical Cancer in low resource setting: JSFOG. April-June 2018; Vol 10(2); 88-91[International]		
3.	Bhowmik J, Kyal A, Mukhopadhyay P et al. Pregnancy with previous Cesarean Section: an Overview of adverse fetomaternal sequelae: IJRCOG. May 2018, Vol7 [S]; 1817-1821 [International]		
4.	Bhowmik J, Kyal A, Das I et al. A rare case of Cervical: Potential Life-threatening condition managed conservatively with uterine artery embolisation and Methotrexate: IJRCOG: May 2018; Vol 7[5]: 2061-2064[International]		
5.	Berwal V, Kyal A, Mukhopadhyay P et al. Pregnancy with thalassemia: Challenge and outcome; IJRCOG, April 2018; Vol 7[4]; 1613-1616[International]		
6.	Patra S, Kyal A, Mukherjee P et al. Primary Umbilical Endometriosis: A case Report; JIOG; July-Sept 2018; Vol 8[3]; 40-42. [National]		
7.	Kyal A, Mukhopadhyay P et al. A rare case of malignant germ cell tumor in a Pre pubertal girl; JIOG, March 2018; Vol 8[1]; 42-44. [National]

g) Ongoing research activities

Serial Number	Title of the research	Name of researchers
1.	Study Comparing one step versus Two step method of screening for gestational diabetes mellitus and its clinical implication(Fetomaternal outcome)	Dr.Divya Dhall
2.	A Comparative study on efficacy and safety of two preparations of Dinoprostone(Gel versus Pessary) in labour induction at term	Dr.Pragati
3.	Role of Anti-Mullerian Hormone as a diagnostic and prognostic tool in PCOS	Dr.Anu Meena
4.	Letrozol v/s Clomiphene citrate in Ovulation Induction and pregnancy: An open-label, randomized, parallel group,clinical trial	Dr.Deblina Ghosal
5.	Study of presenting symptoms and stage of disease in patients with ovarian carcinoma during first diagnosis	Dr.Sayani Maitra
6.	A cross sectional study on the correlation of serum Vitamin D, calcium and Ca-125 with stage and symptoms of endometriosis	Dr.Sourav Bose
7.	Fetomaternal outcome in jaundice during pregnancy.	Dr.Krishanu Malick
8.	A comparative study of APGAR score in Breech presentation between vaginal and caesarean delivery in a tertiary centre	Sk.Md.Rafik
9.	Cord serum albumin is compared with cord serum bilirubin as a risk indicator in a case of neonatal hyperbilirubemia after induction of labour with oxytocin .	Dr.Arjun Das
10.	Evaluation of Adnexal masses- correlation of clinical presentation, sonographic assessment & histopathological findings .	Dr.Sreeparna Roy
11.	A study on Epidemiology & management of molar pregnancy In a tertiary care hospital	Dr.Sanjib Das
12.	A study on acceptance and compliance of DMPA (Depot Medroxy progesterone acetate) for post partum contraception in a tertiary care	Dr.Sudev Ray

	centre in eastern India	
13.	A quality improvement study on implementation of partograph and its effect on clinical outcome	Dr.Ritu Raj
14.	Predictor of pregnancy in a couple with unexplained infertility followed by ovarian stimulation and intrauterine insemination	Dr.Prajna Paromita Ghosh
15.	A comparative study between Mifeperistone and Misoprostol for induction of labour in case of intrauterine fetal death	Dr.Piyali Ghosh
16.	A comparative study of serum vitamin D3 level in cases of spontaneous abortion following proven cardiac activity of (Embryo fetus unit, relation to normal ongoing pregnancies	Dr. Chaitali Sengupta

h) Brief information about any ongoing project work in the department: up gradation of Infertility Unit.

i) Special achievements & Collaborative activities by the department
